Newsletter

February 3, 2022

Hello, friend!

I hope this wonderful, beautiful... and very challenging... snowy wonderland that we are blanketed under finds you safe, warm and well. (and I hope that your today hasn't been *exactly like your yesterday ;-)

Two of my favorite things you'll find in this edition of the WFRN Newsletter: The abundance of new music we've been blessed with so far this year - and the new "Send a Shoutout!" feature on the WFRN App.

You can hear the great new music all the time as you're listening to your friend, WFRN (along with so many of your favs) - but have you seen the new feature on the WFRN App?

You and your kiddos can record whatever you would like: How you came to know and love Jesus; a favorite Bible verse of yours and why you love it; your kids singing the WFRN jingle, or a line from one of their favorite songs; what WFRN means to your family; an encouraging word for the whole WFRN Fam; and more! (And, you can listen to it and redo it if you don't like the way it comes out the first time:)

Best of all, you might just end up hearing what you share with us over the airwaves of Your Friend of The Family, WFRN.

Stay warm!
Doug
