Newsletter

Dear Friend,

Do you realize how many thousands and thousands of impoverished children the WFRN family has helped in Haiti over the years?

It's well over 10,000 children. And this is in the poorest of poor nations. The poorest in the western hemisphere.

Your generosity over the years, working together with WFRN and Cross International, has provided education, literacy - based in God's Word and a relationship with Jesus - hot meals, basic nutrition, and more - for children who would've had none of these otherwise.

Truly, your sharing has enabled the Lord to use human lacking for GREAT eternal gain.

The familiar voice of our friend Tom Lewis will be with us again next week, beginning Tuesday morning, for another opportunity to help more children and, ultimately, snatch more families from the enemy.

Since the 1960s, the percentage of born-again Christians in the island nation of Haiti has gone from less than 3% to approximately one out of every three! And it is because of efforts just like this.

Please pray. Please listen. Please give. And share in the joy that will

never end.

Next week on Your Friend, WFRN,
Love,
Doug

Leaning

Matt Maher

FEATURING LIZZIE MORGAN

"Leaning" by Matt Maher featuring Lizzie Morgan was just debuted on New Music Monday! Listen [here](#).

An honest yet poignant look at life's toughest seasons and how Jesus tells us that we're not alone, the powerful song's chorus shares:

"What a fellowship, what a joy divine, what a priceless gift / God I'm yours and You are mine / Let my restless soul be still and know / I am leaning on your everlasting arms."
