Dear friend of the family,

God has shown us something for *you.

Many, many of you have honored us over the years by graciously allowing WFRN into your homes and cars, trusting us with the ears and minds of your children and grandchildren, and with your own ears. It is a *great trust.

We've been praying about another way that we can return the favor to you, that reflects the unique times that we are all in. You've made room for us - and now we want to make room for you.

God has given our team at WFRN a vision for a gathering place, a family patio, a "front porch", a hub for the Body - right here, on

site, at WFRN's central tower site, studios and offices.

And you're invited: first to please pray; then to support and give; and then to come and rejoice in the midst of whatever the years ahead hold. Will you join in? And be part of a gathering place for the Body to be...well...the Body. Let's turn anxiety into joyful excitement, in Christ our Lord.

In the darkness, let the light shine! :-)

Will you be part of this?
