Dear friend,

[WFRN.com/gathering-place](https://www.wfrn.com/gathering-place)

Please click on the link above and take a look at the artist's conception of the vision the Lord has given us for the new WFRN Friends & Family Gathering Place.

This is for you, and your family. We want you to be part of this community place, across denominational lines, without boundaries.

As the world loses hope, we show them Hope! Real Hope. Certain Hope. Eternal Hope. Hope in the only source: Christ Jesus our Lord. Let's turn growing anxiety into growing togetherness.

[Coffee with friends, around the studio center](#)

A place for the young and the old to all enter
Our Savior returning, preparing His Bride
Renewal of vows, with your spouse by your side
Open air worship, where mostly voices are heard
Not forsaking the reading together of God's Living Word
National artists, hanging out next to you
Regional talent, sharing gifts, too
A safe place for children, to give Mom a rest
A shining city on a field - in the darkness, we shine out His best
Baptisms, learning, celebrations and breakfasts
As the world grows apart
We want *you next to *us!
You've honored WFRN for years
By welcoming us into *your place
And now we welcome you
To the WFRN Gathering Place!

Please prayerfully consider giving to and being part of this. We need your help, and we want you to be part of this new place for the Body to be the Body in front of an increasingly worried world that simply needs to know Christ Jesus, our wonderful Savior, Lord and Head.

Pray. Give. Join.

We love you,
Doug & The WFRN Team
