Dear Friend,

I'm not asking you. I'm beseeching you (a bit nerdy, I know:) --> Please click here... <https://wfrn.com/> ...and see what we have in mind for you, and for your family. We would LOVE for you to see the artist's renderings for the Friends & Family Gathering Place at WFRN.

Would you please be part of this special hub of hope and community? We're hoping to break ground in 6 months. Any gift - either bigger or smaller than the levels suggested below - will be a HUGE help towards groundbreaking.

Friend of WFRN gift: \$60/month, over the next 6 mos.
(commemorative prayer postcard)

Family Legacy gift: \$167/month over the next 6 mos. (includes

large Inscribed legacy brick!)

Kingdom Cornerstone gift: \$500/month over the next 6 mos.
(includes x-tra large inscribed legacy brick - perfect for a family or business or organization!)

Any gift between now and Friday morning at 9:15AM (EST) will be extra helpful and high-impact!

WFRN won't be here up until our Lord's return for your family and this region, without three things:

1) His faithfulness; 2) Your prayers; 3) Your support

The fact that we have access to all three humbles and amazes us.

We love you guys,
Doug

Help Us Build Community!

Yes, we are building a "thing" - but we're trying to accomplish *so much MORE!*

That "thing" - patio, playground, stage, etc. - will literally be the Foundation for Community activities!

- Bible studies
- Baptisms
- Weddings
- Family reunions
- Concerts
- And so much MORE!

Will you help?

Have you seen this?

It's all over Facebook, it's on our website, and it's been talked about on-air the last couple days...

But have you taken time to look at all the pictures?

Go to WFRN.com/gathering-place to see all the artist renderings!

And be sure to check out [Stone Ridge Landscaping](#)! Josh & team are AMAZING!

What I was Never Prepared for... But Ready for.

Written By Shannon Petty

This week has been a week of what I will call "Learning Boundaries" – NOT!! I have had to tell myself over and over to "enjoy the roller coaster of parenting adult children" and love them exactly where they are at, while counseling them at the same time (when asked).

NOT FINISHED YET
BUILDING 429

"Not Finished Yet" by Building 429 was aired last month on New Music Monday, and we are still feeling it's impact!

You said, child, lay down your
sorrow
Cause I'm not finished yet!

Praise the Lord He is still working!
And He will continue to work until
Jesus returns! (*Phil. 1:6*)
