836 W. South Boundary Street, Perrysburg, OH 43551

Person to Person Resources has been serving the Northwest Ohio area for over 25 years. Our team of compassionate mental health practitioners have many years of experience, a wide range of expertise, and a comfortable client-friendly approach. They provide each and every client with the highest quality service by utilizing multiple research-based treatment modalities in a space that is safe, confidential and individualized. As one of the areas most experienced counseling private practices, we have a high referral rate from doctors' offices, schools, and churches. We encourage you to schedule out your appointments to fit you in and ensure times that work best for you.

We will match you with the best therapist to suit your individual needs or you can review our therapists' biographies to make this decision yourself. We work with several insurance plans, and we will handle all your insurance paperwork for you.

Areas of treatment include: Anxiety, Depression/Mood, Trauma, PTSD, Grief, ADHD, Codependency, Obsessive Compulsive Disorder, Domestic Violence, Bipolar, Personality Disorders, Self-Esteem, Bullying, Anger Management/Emotion Dysregulation, Self-harm and Suicidal Ideation/Attempt, Family Counseling, Premarital Counseling, Marriage Counseling, Divorce Prevention, Substance Abuse, Addiction Recovery, Sex Addiction, Gambling Addiction, Internet Addiction, Christian Counseling.

We work with all age groups and stages of life. We look forward to partnering with you through life's challenges and difficulties, with hope for a better tomorrow!
