The Crossroads Campus Reopening Plan is for the Ottawa Lake campus only. It may change as a result of requirements from our state government, or based off our findings as we navigate through each phase. Appropriate PPE and social distancing will be followed as required by the State of Michigan, and strict mitigation procedures will be communicated later when we enter each phase. Dates for each phase will be released as soon as we have the necessary info. For questions, please email kluke@crossroadson23.com
