
The logo for KidMin Nursery Procedures is a circular emblem with a dashed border. Inside the circle, the word "KIDMIN" is at the top, "nursery" is in a large, black, cursive font in the center, and "PROCEDURES" is at the bottom. Two yellow dots are positioned on either side of the circle. The entire logo is centered between two thick black horizontal bars.

KIDMIN nursery PROCEDURES

- Children will be checked in and given a nametag by a KidMin volunteer. There will be no touch screens at this time.
- Children's temperatures will be taken at check-in.
- All KidMin volunteers will be wearing a mask.
- Parents must wash or sanitize their child's hands when entering the room. Child hand wipes or non toxic hand sanitizer will be provided.
- All changing stations will be sanitized between uses.
- Cribs and blankets will not be shared between children and will be sanitized. Rooms will be sanitized between services.
- Rocking chairs will be spaced 6 feet apart
- Parents are asked to clearly label their child's diaper bag on the OUTSIDE of the bag (e.g. with a luggage tag, etc.) The nursery will provide an optional tag.
- SNACKS IN THE ZOO
 - We ask that parents provide a sippy cup, but clean cups are available if needed
 - Each child's hands will be safely cleaned before snacks are given.
 - Children will be spaced out while sitting at table for snack.
- We ask that children stay home if they are experiencing symptoms such as fever, headache, cough, etc. If a child has one or more questionable symptoms, but has been cleared by a doctor, parents may bring a note from doctor when the child is dropped off.

These procedures are subject to change as time goes on and circumstances change.
