

1. Use the giving block to access the secured giving site. First, enter the dollar amount you wish to give. Ensure the 'General' fund is selected and choose the frequency you would like to give (this can be updated at any time). Then, select the 'NEXT' button.

- 3A. If you choose to sign up with Facebook, you will need to log into your Facebook account.

4. Once you have signed up for an account, you will need to choose how you wish to give by selecting to either link a debit/credit card or by linking a bank account (you only have to enter this information once during the initial set up).

2. You will be taken to the secured giving site powered by Subsplash. The first time you give, you will need to sign up for a new account via email or Facebook by clicking the sign up option you choose.

- 3B. If you choose to sign up with email, you will need to ensure the 'Sign up' tab is selected to create an account. Fill out the required information and select the 'Create account' button.

5. Congratulations! You are now signed up to give. The next time you wish to give, you simply have to sign in to the account you created. You will also have the option to choose the amount and frequency you wish to give.
