

Summer Service

PLANS & PROCEDURES

'When they said, "Let's go to the house of God," my heart leaped for joy.'
Psalm 122:1

Journey Church Family,

We are beyond excited to share our plans for finally coming back together again at 366 S Lincoln Dr! While we will continue to provide a dynamic online live-stream experience we believe it is time to begin to open our doors once again to the community. As we look to do this in a safe and socially responsible way there are new service times, campus structures and procedures that we trust will create a comfortable experience for you and your family. Here they are...

New Summer Service Times: 8:45am - 10:00am - 11:15am

The 8:45am service will be reserved for adults and those who are at-risk and/or immunocompromised. There will **not** be Journey Kids programs available. Our Kids rooms will be open during both later services; albeit at limited capacities. (*First come first serve.*)

Attendee Registration:

In an effort to best steward our campus capacity we are asking that you and your family let us know which service you will be attending by registering each week via www.journeychurch.family or The JC App. Follow the 'Summer Sunday Services' tab. You are encouraged to register each week; registrations will open on the Monday morning proceeding each Sunday.

Note: Registration will not guarantee your child a place in Journey Kids. Those will remain first come first serve.

Social Distancing and Cleaning

Upon arrival to the campus you will find that we will be taking measures to limit the amount of contact you have with certain surfaces, such as door handles. Our Cafe Dream Team will be using masks and gloves to give you a confidence in our snack and beverage experience. Also, extra time will be taken between each service to clean and disinfect the auditorium, lobby, bathrooms, kids areas, etc.

Additionally, we ask that each individual acknowledge and respect the boundaries of others as it relates to social distancing. We encourage waves instead of handshakes, fist bumps instead of hugs, etc.

Special Auditorium & Service Notes:

Our Impressions Team will be serving you by seating you and your family into our altered seating arrangement that will provide proper distancing for you to worship in. Also, our service plan has been amended by restructuring our giving time, eliminating the 2-minute 'meet & greet' and providing individual communion elements for you to use during worship or to take home.

Tithes and offerings will be collected digitally via The JC App, website and text-to-give. Cash and checks can be submitted into our standard baskets which will be placed near the auditorium exits at the end of each service.

Journey Kids:

Our kids rooms will be open during the 10:00am and 11:15am services only. Unfortunately, at this time we will be placing a capacity limit on each room. Admission will be based a a first come, first serve system. All families will be directed to enter the building via the Main Entrance, then to proceed to the kids wing to take a place in the registration queue as directed by the Journey Kids Dream Team. Should your child(ren) join you in the Main Auditorium for service, do not worry. We will do all we can to assist you in their, and your, comfort during the service.

Live Streaming:

We will continue to offer a live stream experience via our Facebook Page, YouTube Channel and website.

Additional Notes:

Our normal office hours will resume Monday through Thursday, 9:00am - 4:00pm.

Journey Youth and Journey Groups will be meeting at their various days, times and locations. Use The JC App and website to find details.

As always, we want to express our deepest gratitude to everyone who has remained faithful throughout this COVID-19 season. The love and support you have continued to show each other and this community has been true reflection of Jesus! We are so excited to be together again and look forward with eager expectation as to what God is going to do next!

We love you!
