Let Your Glory Fall

Music and Words by David Ruis

```
Verse 1
                              G2/B
C
           D
     Fa - ther of cre-ation
                          G
                                 G<sub>2</sub>/B
  Unfold Your sov'reign plan
                               Em
   Raise up a chosen gener - a - tion
                                                 G/B
Am7
                                   Dsus
                                           D
     That will march through the land
C
    All of cre-ation is longing
                                 G2/B
    For Your un-veiling of pow'r
   Would You re-lease Your a-noint-ing
Am7
                                Dsus
      Oh God let this be the hour
     Chorus
                     D/G
                                    C/E
                                            G/D
                G
    Let Your glory fall
                          in this room
                           G/B
                                        Dsus
                                                 D
    Let it go forth from here to the nations
                                       C/E
                  G
                          D/G
                                              G/D
    Let Your fragrance
                          rest in this
                                      place
                       Dsus
                              D
    As we gather to seek Your
                                     face
                                   G
                                         (To Bridge 1)
