

# EMBRACE GRACE

## VISION/POLICY

- Embrace Grace helps women & men experiencing unplanned pregnancies find a place of belonging within the church through support groups.
- We need volunteers to help us disciple and support these women & men through leading small groups, purchasing gifts for baby showers, and walking alongside them through the days leading up to delivery and beyond.

## OPPORTUNITIES

- There are so many ways to help - from helping organize baby showers, to mentoring a small group of pregnant moms, to writing baby shower invitations. Check out our button on The Branch's app to see all opportunities and sign up today!
