**The dates we are serving for 2021:**

**Thursday, October 28**

**Thursday, November 25 (Thanksgiving)**

**Thursday, December 23**

Each month we cook for and serve approximately 125 people. If you sign up to cook, you will be called and reminded each month of what you committed to cook and bring. Because we serve the food at 6:00 p.m. please have your dish warm (when appropriate) and at the Day Center ready to serve no later than 5:45 p.m. (if at all possible by 5:30)

**\*\*YOU WILL NEED TO DOUBLE EVERY RECIPE UNLESS NOTIFIED \*\***

We begin serving the food at 6:00 p.m immediately following the prayer of thanks. The actual serving of the food usually takes from 30 minutes to 1 hour and includes serving seconds when available. In addition to cooking there are a number of tasks that must be completed each time we serve in order to prepare to serve. If you are interested in assisting with these tasks please contact Rod Nordstrom or Rick Gibbon.

If you are cooking and wish to also stay and assist in serving, please check in with Sally Gibbon to receive a name badge and your additional assignment.

**We thank you for volunteering to help with this ministry and know that you will find it very rewarding!! We welcome your comments or suggestions to improve this area of service.**
