Fairfax County to Begin Charging For Emergency Transport April 1

Beginning April 1, Fairfax County will charge for transport to a medical facility as the result of a call for emergency help. There will be **no** charge for emergency medical care treatment if the patient is **not** transported. (This is **not** an April's Fools joke.)

The County says your insurance company, Medicare, or Medicaid will be charged for transport to a medical facility. For residents who are uninsured, the county says it is committed to working with citizens to make sure they will not suffer financial hardship if they cannot pay the bill.

Transport costs for the Basic Life Support units will be \$300. Advanced Life Support Level 1 transport will cost \$400. Level 1 includes serious medical problems or traumatic injury. Advance Life Support Level 2 (cardiac arrest) will cost \$550. In addition, there is a \$7.50 charge per mile from the pickup point to the medical facility.

You also will receive a copy of the bill, presumably for collection, should you not have insurance and are financially able to pay the charge. The County has contracted with a private company to handle the transport billing. County residents with insurance will **not** be charged a co-payment.

The Fire and Rescue Department stresses that residents should not hesitate to call 911 in an emergency. Ability to pay will never be considered when providing service.

Because of the number of questions raised at its January meeting, RHCA has asked representatives of the Fire and Rescue Department to further explain the program at the Association's February 22 meeting at 7pm at the John Marshall Library. If you have an interest in this new policy, you are urged to attend this important meeting.

After hearing from the County, RHCA hopes to have representatives of private insurance companies, Medicare, and Medicaid attend the March meeting to outline their procedures, if any, in assuming the cost of the new program. Members are encouraged to contact their insurance company to ascertain if the new charges outlined by the County are covered. Also, ask if your company can provide a speaker for the March meeting to further discuss the new charges. If so, contact Carl Sell at 703.971.4716 so the schedule can be arranged.

We never know when we will need emergency service. We should know what any resulting transport to a medical facility will cost and who will pay for it.

Although the program has been approved by the County Board of Supervisors, it's never too late to ask questions or ask that the program be rescinded. RHCA plans to get all the information it can for its members before taking any position.

Unkempt Properties

RHCA has received numerous complaints about specific properties in the community that are not being properly maintained in an acceptable condition and in some cases, are in unsanitary condition. Residents are reminded that piles of trash and debris should be removed in a timely fashion. Just placing it at the curb will not guarantee pickup. You must make arrangements for a special pickup by your trash removal service. And, please pickup the free newspapers that are being left in your driveway. Some properties have as many as a week's worth of the papers in or near the driveway. I know you didn't ask for the papers, but please discard them so they aren't an eyesore. RHCA will ask violators by letter to correct the trash and/or debris problem. If the problem is not corrected within a reasonable time, RHCA will file a complaint with the zoning inspector, health department, and/or police. Inaction could result in a fine or criminal penalty. Residents are encouraged to report such properties to RHCA. The complaint will be lodged on behalf of the entire Association and your identity will not be revealed. We will *not* allow a few unsightly properties to detract from our community.

Residents are reminded that piles of trash and debris should be removed in a timely fashion. Just placing it at the curb will not guarantee pickup. You must make arrangements for a special pickup by your trash removal service.

Underage Drinking/Safe Driving

The Safe Youth Coalition is sponsoring a program designed to deter underage drinking prevention on Tuesday, March 9, from 7 to 9 pm, at the Springfield American Legion, 6520 Amherst Avenue. The program will include an exploration of the science of alcohol and the teen brain, the consequences of underage drinking, parent accountability and the law, how youth get alcohol, and information on safe driving/new legislation from the Virginia General Assembly. Guests include Family and Juvenile Domestic Court Judge, Teena Grodner; Franconia District Station Police Officer, Sally McGowan; 42nd District Delegate, Dave Albo; and Lisa Adler of the Safe Youth Coalition. Parents and teens are welcome. More information about

the Coalition can be found at www.safeyouthcoalition.com. The group focuses on the greater Springfield area and is affiliated with the Fairfax County Schools Safe and Drug Free Youth Office.

Traffic Calming Study

Supervisor Kauffman's office has advised RHCA that the county will undertake an engineering study concerning traffic calming in Rose Hill upon the opening of the new South Van Dorn connector. The no parking request for Rose Hill Drive already is moving forward. RHCA's original letter regarding traffic calming is available at myrosehill.com. The South Van Dorn connector is complete except for restriping at the Telegraph Road intersection and activation of the traffic signals.

Park Update

The Park Authority and T-Mobile are still negotiating about the lease payment for the installation of a cell phone tower in Lee District Park. The tower would be located in the rear of the park near South Kings Highway and should not be an eyesore on the Rose Hill horizon. We expect a decision by April. RHCA supports the tower as long as the revenue generated remains as part of the Lee District Park budget. We have suggested that the money be earmarked for the ever-increasing cost of the July 4 fireworks display.

On another front, the County is updating the section of the comprehensive plans that sets policy guidance for parks. The update is not site-specific and should have little effect on Lee District Park, Huntley Meadows Park, and Greendale Golf Course. Any changes for specific parks will be part of an update of the Park and Recreation sections of the Area Plans. We will monitor those plans to make sure our interests are protected. RHCA is on record as supporting a trail connection on Telegraph Road between Lee District Park and Huntley Meadows and an overpass across South King's Highway between the two parks. We also have voted to support upgrading and refurbishing of existing facilities and the addition of revenue-generating facilities at Lee District Park, the latter on a case-by-case basis. And, you might have read about the controversy surrounding the Park Authority proposal to increase the senior discount fee. We hope to have additional information on this subject at the February meeting.

Don't Forget to Join RHCA for 2005!

Thanks to those of you who already have signed up as RHCA members for 2005. We couldn't continue our programs without your support. This is the next to last month we will be reminding residents to join *their* Association. Please fill out the membership form below and mail it to RHCA. Then, look for your name in next month's *Rambler*.

Your membership dues provides the funds necessary for the printing of *The Rambler* as well as the coveted 'Rose Hill Beauty' signs awarded each Spring. Remember, only RHCA members are eligible to receive a sign.

Additionally, RHCA solicits donations to maintain the plantings around the entrance sign at Rose Hill Drive and Franconia Road. This year, we are asking for contributions toward the beautification of the flowerbed facing Rose Hill Drive at the John Marshall Library.

Contributions to the General Fund will help us meet unforeseen obligations. For example, last year we had enough money to repair the entrance sign. The Rose Hill Apartments helped with a contribution toward that effort. The apartment personnel also maintain the median on Rose Hill Drive.

Please take a moment to fill out the membership form and mail it, along with your check, to RHCA at P.O. Box 10891, Franconia, VA 22310. We'll add your name to the list in next month's *Rambler*.

Please—We Need Help!!

Our webmaster, Jim Sapp, and his wife have moved to Colorado. We need someone in the community with web experience to step up and take his place.

Also, we are in need of a *Rambler* Distributor. The job entails picking up *The Rambler* copies from The UPS Store in Kingstowne, dividing them up for the individual delivery people, and getting those packages to their houses by Saturday morning, the weekend before the monthly meeting. Can you spare three hours a month?

We're also seeking someone to help deliver *The Rambler* 9 times a year. It's an easy, part-time job, perfect for someone who likes to walk, including students, moms, and retirees. This route would take less than 45 minutes to deliver only nine times a year.

Finally, we need someone to volunteer to sell ads for *The Rambler*. Spending just a few hours a month can yield big returns for your Civic Association. The rates are so reasonable, many businesses can't resist.

Don't forget, Carl Sell and Terrie Dacales are looking to step down from their Association positions this year. We are looking for a new president and vice president to come forward and take over the reigns and allow time for a "training" and sharing of knowledge period.

For more information or to volunteer, contact Marty Williams (703.924.7192) or Carl Sell (703.971.4716).

The “T” Word

On February 3, 1913, the 16th Amendment to the Constitution was ratified, giving birth to the U.S. income tax. Since then, a few citizens have been accused of not paying their required share, including such notables as Al Capone, Spiro T. Agnew, James Traficant, Steve Rubell, Leona Helmsley, Willie Nelson, and most recently, Richard Hatch.

Here in Fairfax County, low- and middle-income taxpayers, and people age 60 or older, can get their taxes filed for free through the tax preparation

assistance offered by AARP volunteers in the Sherwood and Centreville Library branches. A number of other branches will offer tax preparation assistance for paper filers, and all 21 branches will offer free copies of commonly-used tax forms.

For dates, times, and locations for tax preparation assistance, visit <http://www.fairfaxcounty.gov/library/taxes.htm>
