

President's Message

Valentine Treats, Israeli Trip Report on Agenda for February Meeting at Rose Hill Elementary School

If you didn't remember your Valentine on the actual day, you can make amends by attending the Tuesday, February 26 meeting of the Rose Hill Civic Association at 7 p.m. in the library of Rose Hill Elementary School. Rose Hill resident Jeffrey Lewis, who is the executive chef at the Chart House Restaurant in Old Town Alexandria, will provide a Valentine's Day treat for the meeting. So bring the Valentine you didn't remember and make amends, compliments of Jeffrey Lewis and The Chart House. And, the next time you plan to go out for dinner, why not choose the Chart House and get a meal prepared by someone from home! As one who has eaten at the Chart House on numerous occasions, I know you will enjoy the food and the view of the Potomac River.

Remember, the meeting will be held in the library of Rose Hill Elementary School! We are switching back and forth between the library and the school because we aren't always able to be first in line on the library's computerized reservation system, which makes no allowances for a group that has met there since the facility opened in 1975! Thanks to Principal Elizabeth Obester and her staff at Rose Hill Elementary for bailing us out when we need a meeting site.

Next RHCA Meeting: February 26, 7:00 pm Rose Hill Elementary School Library

Also, we will hear a report from Dave and Linda Nichols, who recently visited Israel. The country and the Middle East are constantly in the news and we will have an opportunity to hear a first-hand report about what it is like in Israel. Linda took her camera, so there will be plenty of pictures available to share.

If you have an interest in the Middle East and travel, plan to join Dave and Linda for this informative look behind the headlines and the television cameras. You'll get a free tour through their eyes and won't even have to leave Rose Hill!

Road Construction

The improvements to the intersections of South Kings Highway and South Van Dorn Street with Telegraph Road are about to get underway. Recent activity involved moving utility lines, both above and below ground, and replacement of the culvert that carries Dogue Creek under Telegraph Road. When completed, there will be a dedicated turn lane on northbound Telegraph Road to South Kings Highway. Also on Telegraph will be a single right-turn lane from southbound Telegraph to South Van Dorn, lengthening the one that is already there. On South Kings, there will be dual left turn lanes from South Kings onto southbound Telegraph. Likewise, there will be dual turn right tune lanes from South Van Dorn onto northbound Telegraph Road. The directions will be separated by a raised median. There will be striped, on road four-foot bike lanes, a five-foot sidewalk on the east side of Telegraph and a 10-foot shared-use path on the west side. In the meantime, travel will be difficult in the area so alternate routes are advisable. To reach Route 1 via South Kings, take Telegraph north to The Parkway, turn right at the light and travel to the next light and

turn left onto South Kings. To reach Hayfield and points south on Telegraph, take Franconia west to South Van Dorn and turn left just past Edison High School. Take South Van Dorn to Kingstowne Village Parkway (just before you reach the shopping center). Follow the parkway around to Hayfield Road and turn left to reach Telegraph Road. Might be a good idea to try the routes so you learn the way around the construction.

Back to School!

Rose Hill Elementary needs volunteers to work with students in reading and math. Reading buddies are needed for one-on-one sessions with children mostly in kindergarten, first and second grades. This involves reading the student a book and then having the child read it to the adult. In math, volunteers are needed for the same grades in reviewing basic math facts, such as simple counting and developing number sense activities. Opportunities are also available for those who prefer to work with upper grade students in mastering multiplication facts, doing simple equations, etc. Contact Principal Elizabeth Obester at Rose Hill Elementary if you can help. Her e-mail is elizabeth.obester@fcps.edu or call her at 703-313-4200. Rose Hill Elementary is one of our most treasured assets and here's a chance to help the students learn math and reading.

Library's 50th Anniversary

The John Marshall Library will celebrate its 50th anniversary in Rose Hill on Saturday, April 20, 2013, with numerous events including music, family programs and contests. The actual opening of the storefront version of the library in the shopping center was April 21, 1963. The present building opened February 18, 1975. The Rambler will print the names of those of you who remember and used the store-front version in the March Rambler. Give us your stories, recollections, etc. If anyone has any pictures, please send us copies!

Cankerworms

You may have received a notice from Fairfax County about plans to spray for cankerworms on your property this spring. Our area includes pockets of very high infestation that could result in causing trees to lose their foliage or die. The worms are the product of

either of two geometrid moths. Aerial spraying with an application approved by EPA that will kill the worm within one week will be done under the supervision of the Fairfax County Pest Control staff. If you want additional information, there will be a presentation on the program on Monday, February 25 from 7 p.m. to 9 p.m. at the John Marshall library. If you do NOT wish to have your property sprayed, you MUST notify, in writing, the Coordinator of the Pest Control Program, 12055 Government Center Parkway, Suite 518, Fairfax, VA 22035. If you have questions, call 703-324-5304. If you have not received a notice in the mail from the County, your property is not on the list of those to be sprayed.

Building Permits

Residents are reminded that Fairfax County requires building permits for the construction of additions and most improvements to a house. Mechanical and electrical permits are also required. Please be aware that permits are required to maintain active homeowners insurance. Because of the threat of fire, adjacent homeowners are advised to protect their property by making sure neighbors have the proper permits. It is a relatively simple process to check, so give me a call if you have any questions. Please provide the address of the property in question.

Long-time Members

If you ever wonder what helps make Rose Hill such a great community, consider the support for our Civic Association. Ray Stone of Roundhill Road informs us that he has been a member every year for more than 50 years. It's that kind of support that makes it all worthwhile for the small army of volunteers who maintain the organization, deliver the Rambler and keep our community safe by serving as a Neighborhood Watch captain. Thanks, Ray, and all of you who support RHCA. There are other long-time members out there who deserve a pat on the back from the Rambler. Give us your name and we'll mention it in future editions. And, yes, Connie Beatty, we know we can't do without you! Connie is the person who has lived in Rose Hill the longest! And, many thanks to each of you who have joined RHCA for 2013. The list of members is on pages 4 and 5. If you joined within the last

10 days, your name will be in next month's Rambler. If you are not yet on the list, fill out the membership form on page 6 and mail it, along with dues and any contribution you care to add, to RHCA, PO Box 10891, Franconia, VA 22310. Remember, only RHCA members receive Rose Hill Beauty signs if their home is selected to be honored. And, by the way, display of the Rose Hill Beauty signs has never been an issue!

Holiday Lights

The judges either missed them or they weren't turned on when the rounds were made, but the Varneys at 4520 Roundhill Road certainly deserved to be on the list of well-lighted houses over the holidays. And we had the wrong address for the Murnames on Carriage Drive. Their display was at 6513. Please let us know if there were any other foulups. The January edition of The Rambler is available at myrosehill.com. Click on The Rambler and then January 2013. The above changes have been made on the master list.

Neighborhood Watch Signs

The Police Department has provided us with eight new Neighborhood Watch signs to post at the entrances to Rose Hill. We would like for one to be attached to each of our 50th anniversary signs. If there is a sign near you and you can attach a Neighborhood Watch sign to it, please give me a call and I will deliver one to you. It takes two wood screws and washers. The signs are metal, but the holes are already cut in them. We had intended to come back to the February meeting with a cost of obtaining them ourselves. However, the police recently received a new shipment and Officer Jim Reid was more than happy to make them available to us at no cost. We want to make sure that anyone up to no good who enters Rose Hill is aware that we are watching. If you would like to help, give me a call. All you have to do is keep your eyes open and report any suspicious activity. And, don't forget to take a look every time you pass Rose Hill Elementary or the John Marshall Library. If you see something, say something!

No Parking, Calming

The petitions to install No Parking signs on one side of Apple Tree Drive from Rose Hill Drive to Willowood Lane have been presented to the County. Of the 19 properties

involved, there were 14 in favor, two opposed, one noncommittal and two who didn't answer. We'll keep you informed. On the traffic calming on Cottonwood, we still need at least one more person agreeable to serve on the committee. We particularly need someone in the area of Cottonwood close to Apple Tree Drive. There are several homeowners who have indicated they oppose the idea, so those in favor have their work cut out for them. Please talk to your neighbors to help us reach a consensus on this issue. We will need an overwhelming show of support in order to proceed. If you want to help slow down the speeders on your street, you need to get involved.

Koinonia

We received a nice thank you note for our RHCA contribution from Koinonia, the organization that assists the needy in the Franconia area. It might interest you to know some of the highlights of what Koinonia accomplished in 2012. 145 different households received emergency rental assistance, 79 received emergency utility assistance and nine were helped with prescription medication assistance. Koinonia provided 75,117 pounds of food to families to help offset other expenses. 11,269 clothing items were provided to needy families. 430 children received back-to-school supplies, 77 households received Thanksgiving baskets and 85 received Christmas baskets. 124 children received Christmas gifts and/or gift cards. When you think about giving, think about Koinonia, P.O. Box 30878, Franconia, VA 22310. That way, you can be sure the money is spent wisely and in our own neighborhood. For additional info, call 703-971-1991 or log on to www.koinoniacares.org.

Franconia CAC

We also received thanks from the Franconia police station's Citizen Advisory Council for our contribution. The money went toward a fund to feed officers who have to work Christmas Eve and Christmas morning (there aren't many places open!), rewards for the Office of the Quarter, other special programs and support for the Unity Tour police bike riders who raise money to help the families of officers killed in the line of duty. We'd like to have someone to represent Rose Hill regularly on the CAC, which meets monthly and hears

2013 Membership List

from the captain at Franconia. You'll learn about police issues and be able to update our members at RHCA meetings as necessary.

Gettysburg Tour

The Franconia Museum's popular Both Sides Tour visits to Civil War sites during the sesquicentennial includes two events for 2013, both exactly 150 years after they occurred. The first is a tour to Gettysburg on Saturday, April 20. It includes stops at each of the sites of battles during the three days on July 1, 2 and 3, 1863. Included is a program identifying some of the Confederates who reached the High Water Mark on the third day at the culmination of Pickett's Charge. Other stops include McPherson Ridge, Culp's Hill, Little Round Top and Confederate Avenue. A viewing of the famed Cyclorama is included on the tour. Further information is available on the museum website at fracnoniamuseum.org or at myrosehill.com. In October, the Both Sides Tour will be visiting Brandy Station and Kelly's Ford in Virginia. Brandy Station was the site of the largest cavalry battle in North America. It too, happened 150 years ago.

Learn about Belvale

On Saturday, March 23, the Franconia Museum will present a program about Belvale, the Eighteenth Century house located just down Telegraph Road from the South Van Dorn Street intersection. The address is 7701 Telegraph Road. The house was built by George Johnston, George Washington's lawyer, in the 1760s. Johnston also represented Fairfax County in the Virginia House of Burgesses along with George Mason and was involved with the fiery Patrick Henry in denouncing the Stamp Act that led to the Revolutionary War. The program will be held starting at 10 a.m. in the Helen Wilson Community Room of the Franconia Government Center, 6121 Franconia Road. The Museum Board of Directors is attempting to have the house placed on the Virginia and national Register of historic sites.

Expert Roof Repair/Replacement, Gutters too!

Residential & Commercial: Expert Repairs & Installation of All Types of Roofing at Fair Prices

SIX Common Misconceptions about Roofing and the Roofing Industry:

Misconception #1. You should wait as long as possible to re-roof your home.

No! Your roof takes a beating every day from sun, wind and rain. Your shingles become brittle and crack with age and have a tendency to blow off and fall at an alarming rate with age. This exposes the roof decking (the sub-structure that literally, "keeps you out of the rain") to moisture which slowly deteriorates and rots the wood beneath, leading to leaks and more extensive damage.

Further, the metal flashings around chimney areas and at adjoining exterior walls (or rooflines), the penetration collars (around plumbing and heat stacks) and all other vents become worn and prone to water infiltration.

Next time you're outside, take a close look at your roof (most people don't pay attention to it until there's a problem). How does it look? Is it rough and weathered? Are the shingles "curling" or cracking? Is one section very distinguishable from all other areas? Finally, are you proud of the way your roof helps "show" your home, or are you embarrassed by its appearance?

Remember: By the time you have waited "as long as possible," you have probably waited too long and will end up spending your hard earned money on interior and sub-structure repairs, as well as a much needed roof replacement.

To see all six misconceptions, visit www.bguidenet.com/timothysroofing.

Call Russ Robertson (manager) to schedule your FREE estimate on a new roof.

Roof Leaking? Winter storms will only make a bad situation worse.
