President's Message

**Join RHCA for Soup Night, Update on Library,
and Development**

At Tuesday, January 23rd Meeting

Bring your favorite soup or dessert to share to the Rose Hill Civic Association meeting on Tuesday, January 23rd beginning at 7 p.m, at Rose Hill Elementary School. RHCA will supply all the paper products, bread and butter and ice tea. Enjoy some hot soup on a January evening with your friends and neighbors. Soup is appreciated, but not necessary as there usually is more than enough for all at one of our most popular events.

Although there is no set agenda, information will be available on the May Boulevard development and the proposed new houses on Rock-A-By Road. Construction is underway on May Boulevard. As of this writing, no development plan had resubmitted for Rock-A-By Road, but that could change by the time of the meeting. We'll also hear about the progress on the library renovation and expansion project. Original plans called for work to be finished by summer 2018. We will be anxious to see if the project is still on schedule.

If Rose Hill Elementary is closed due to weather conditions, there won't be a meeting and we'll try again in February. In that case, follow our Facebook or web page for any new information on the development plans and the library renovation.

Bright Lights

Three of The Brightest Lights in Rose Hill this past holiday season were bunched close together near the intersection of Flower Lane and Cottonwood Drive. The Kroetchs at 4700 Flower Lane, the Campbells at 6402 Cottonwood Drive and the Rabys at 4705 Flower Lane all are within shouting distance from each other. They radiated so much energy that Santa couldn't have missed them and passengers on airplanes "cutting the corner" over Rose Hill to head up the Potomac to Reagan National got a spectacular view. The Kroetchs and Campbells are repeaters from each of the last few years while the Rabys made a spectacular comeback.

Joining the trio on the list of grand prize winners are the James at 6409 Willowood Lane and the Phillips at 6408 Maryview Street. There were a number of residences on the Exceptional List, including the Salgados at 6409 Rose Hill Drive just around the corner from the Campbells. the Rices at 6431 Carriage Drive, the Norvells at 4858 Basha Court, the Peytons at 4601 Apple Tree Drive and the Aviles at 6710 Telegraph Road to name a few of a large group also on the Exceptional List. The entire list of residences that caught the judge's eyes is included in this edition of the Rambler.

If a name is wrong, or an address is omitted, it is because either the lights weren't on or the judges had

difficulty reading the address in the dark. Everyone should check to make sure their numerical address is visible from the street AT NIGHT in case of an emergency. Some were so hard to see that it took a visit to the front door. If you think you or your neighbor's address was left off the list, please let us know. The idea is to reward those who take the extra effort to make sure Rose Hill puts its name in lights during the holidays.

The Holiday lights list is a major chore than requires hours of reviews of each street, then much more time to check the names and address against the County records. Even then, we know that some names on the list may be outdated. Please let us know so we can update our records.

Remembering Woody Betts

The holiday lights were on this Christmas season at 6306 Saddle Tree Drive for the first time in six years since Woody Betts passed away. They served as a reminder of how much Woody meant to Rose Hill and the police at the Franconia station. RHCA contributes each year to the group that provides meals for officers who have to work Christmas Eve and Christmas morning to make sure we remain safe at this special family time. The meals began as a "pot luck" that turned into a banquet-type spread. Woody encouraged Rose Hill residents to get involved. He and neighbors Norm and Bev Cherkis and the Beatys on Round Hill Road formed the nucleus of the Citizen's Advisory Council. Woody was the chairman when he passed away. RHCA send a check each year in their honor to make sure the tradition continues. Linda Nichols, RHCA vice president, attends to help with the serving. The lights reminded us of how important people like Woody Betts were to our community. Thanks, Tammie Betts!

Membership Drive

Recently, the Rose Hill Civic Association supported the less fortunate in our community with a contribution to Koinonia. RHCA also supported the dinner for the police who have to work Christmas Eve and breakfast for the officers on duty Christmas morning. In June, we will once again support Edison High School's All-

Night Graduation party at Lee District Park, helping keep our young people safe on this most important day. Our support is made possible by those of you who donate in excess of your dues to RHCA. Holiday feelings overflowed in Rose Hill, thanks to each of you. We have started our membership drive for 2018 and so far less than 100 residences are included. Their names are included in this edition of the Rambler We need as much help as you can share to keep Rose Hill a safe and attractive community in which to live. Please fill out the membership form in this issue and mail it to RHCA, Box 10891, Franconia, VA 22310. Your extra support also helps pay for the plantings four times a year at our entrance sign at Rose Hill Drive and Franconia Road. Let them say a personal thanks to you each time you pass. If you see any residences being used in such a way to detract from our overall community pride, please let any of the officers know. We will work with County officials to correct problems. The more members we have, the louder our voice. When the weather improves, you'll notice one of the hallmarks of our neighborhood is the number of people who exercise by walking or jogging on Rose Hill Drive and other streets with sidewalks. Help RHCA keep our community safe. Join today!

Snow Tips

Don't forget that is everyone's obligation to clear the snow and ice from sidewalks (if you are lucky enough to have one) in front of their residence. Please help out elderly neighbors with this chore if you can. Shoveling snow is a leading cause of heart attacks, so be extra careful. Take your time no matter how old you are. When you clear your driveway, throw the snow on the side and not into the street. Too often, poor conditions are created by residents depositing the shoveled or blown snow from their driveways into the street. Don't make a pile at the ends of the cleared area of the driveway or your friendly neighborhood snow plow will push in back into your entranceway. Finally, if you are fortunate to have a fireplug in front of or near your house, clear the snow from around it so the firefighters can see and get to it in case of an emergency. Attach a red flag to the fireplug to make sure it can be seen. Never, Never, pile snow around a fireplug!

Good Neighbors

As we begin 2018, RHCA reminds everyone to be a good neighbor. Please think about how your activities affect your neighbors and you community. For example, make sure your trash is secured in the containers with the lids tightly closed. Trash piled up next to the containers usually winds up in the street or a neighbor's yard. And, if you don't have trash service, please don't use your neighbor's receptacles. Barking dogs at night and early in the morning are a nuisance. It also can result in a visit from Animal Control. Please clean up after your pet while walking through the neighborhood. The law requires it. When parking your car on the street, make sure it does not block a neighbor's driveway. Don't park across from a driveway and risk damage when a homeowner back out of the driveway. Fairfax County has a noise ordinance, so keep your music and parties at a level that doesn't disturb your neighbors. Get to know your neighbors. Protect their environment as well as yours. Help senior citizens and those in need or temporarily incapacitated. You may need help some day and there is no better source than your neighbors. Be aware that more than one commercial vehicle per address and overcrowding are illegal in our residential neighborhood.

Thanks, Janelle!

Janelle Welch has taken over as the coordinator of our e-mail program. She will be updating the list as needed and sending notices of meeting and other information as necessary. We guard the list closely, trying to make sure your e-mail doesn't get in the hands of scammers, organizations or commercial vendors. Thanks to Jim Sapp, a former Rose Hill resident who now lives in Colorado, for maintaining the list and sending announcements previously. Jim also maintains our web site, myrosehill.com. We are looking for someone to take over that chore. Please contact any of the officers if you can help. We also need a secretary to help Janelle keep the community informed about what happens at meetings. Just highlights, not specific minutes. And,

judges for the Rose Hill Beauty and Holiday Lighting programs are always welcome.
