A **free** dinner is served each night at 5:30pm, followed by

**worship, games, and lessons.**

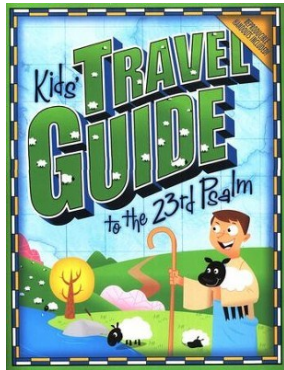

We are **excited** to have different studies going on for different ages.

### Lower Elementary

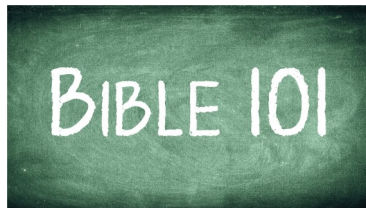

(PreK, Kinder, 1st Grade)

is studying the 23rd Psalm. Jesus loves and watches over kids. At home & school. On the playgrounds. Anywhere! This study will share the promise of God's provision and protection.

### 2nd Graders

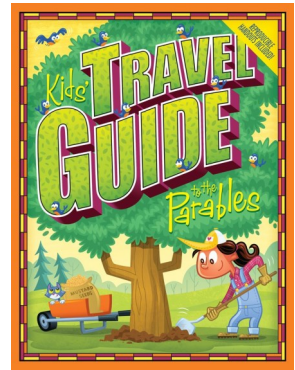

Since 2nd graders just received their Bibles, they are learning how to use them this year.

We will learn the books of the Bible, where they are found, important stories in those books, and some key Bible verses. We want them to be confident in using God's word to help them in all situations.
