

How Jesus Transforms / 7.10.22 | Key: **Question** (Leader's Notes)

Icebreaker: If you were a milk, what milk would you be and why (examples include: 2% milk, oat milk, chocolate milk and leftover cereal milk)?

Read Acts 11:19-26

What do these verses say about God/humanity? Is there anything that stood out to you from Justin's message on Sunday?

Justin challenged us to write down our five most spiritually impactful moments in our lives. **Share one of those moments in your Life Group.**

Justin also mentioned that our most spiritually important moments in life involve a community that believes in us more than we believe in ourselves and/or a step of faith where God has to show up. **How have you experienced this truth in your personal walk with Jesus?**

Acts 11 focused on two characters: Barnabas and Paul.

- *Barnabas sees things in Paul before Paul sees them in himself.*
- *Barnabas pursues Paul.*
- *Barnabas platforms Paul over platforming himself.*

For you personally, how could you start being a Barnabas to people around you starting this week?

Justin said, "In order to have Barnabas like people, we need to be Barnabas people for others." **How is this encouraging and challenging for us?**

- *Paul goes someplace scary and uncomfortable.*
- *Paul persists in his step of faith.*
- *Paul's whole life changes because of this step of faith.*

In what ways do you relate to Paul in stepping out in faith? Or, in what ways has the Spirit prompted you to step out in faith recently?
