I give unrestricted permission for the child named above to be included in photographs taken and for those photographs and any written or oral statements they make to be used for the improvement and promotion of Home Works.

Home Works of America, Inc. ("Home Works") is a Christian faith based organization that repairs homes of those in need. Home Works provides this service through youth volunteers who are supervised by adults. On each worksite, volunteers use power tools. On some worksites, Home Works repairs or replaces the roof of the homeowner.

There are federal laws that establish certain safety standards and restrictions for young workers. Those standards apply to youth that are being paid and Home Works does not believe that they apply to youth volunteering their time with a nonprofit organization. Home Works has advised me that these federal laws prohibit persons under the age of 18 from using power driven circular saws, band saws, chain saws, reciprocating saws, wood chippers and abrasive cutting discs ("power tools"). These laws also prohibit roofing operations and all work on or about a roof.

I authorize \_\_\_\_\_ (the "Volunteer") to volunteer with Home Works on a work site. Unless I place my initials on one of the lines below, I authorize the Volunteer to work on a roof or roofing site and operate power tools. For myself and for the Volunteer, I release Home Works, Home Works' board of directors, Home Works' agents and employees, other Home Works volunteers, and the owner of the home on which the volunteer will be working from any and all claims that I, or the Volunteer, may have for any injuries sustained or damages incurred during the work session: \_\_\_\_\_

I hereby release and hold harmless Home Works' program employees, volunteers and workers, their officers, official and agents ("Releasees"), with respect to any and all losses and/or damages to person and/or property which may arise out of the volunteer's participation and involvement with the Home Works program and the above-referenced activities, whether caused by the negligence of the Releasees or otherwise, except that which is the result of gross negligence and/or wanton misconduct. I understand that this is a full and complete release and that Home Works of America requires this release by me on behalf of the Volunteer to allow the Volunteer to work with the identified session.

**Note: Youth receives ORANGE wristband if no initials and RED wristband if BOTH power tool and roofing restrictions.**

\_\_\_\_\_ If I place my initials here, **I do not want** the volunteer to operate Power tools understanding drills are excluded. (blue wristband)

\_\_\_\_\_ If I place my initials here, **I do not want** the volunteer to work on a roof (yellow wristband)

\_\_\_\_\_ If I place my initials here, **I do not want** the volunteer to work on a site where roofing operations are performed. (Yellow wristband)
