Encourage Missionary Families in Training

Travel with us to Richmond, VA and the International Learning Center of the IMB. While there, we will engage with personnel who are in training to head to the mission field, such as college grads who are headed out for a two-year deployment, young families and many others. We will have the opportunity to prayer walk the ILC campus, meet these special brothers and sisters, pray with them as they are responding to God's call and simply be a small part of this significant transition in their lives. You will be greatly encouraged in the process! **Team is limited to 12 people.**
