

# Panama

**July 13-20, 2020**

**Community Service and Engagement**

Join Pastor David and high school students as we travel to the Comarca Region of Chiriqui, Panama, to work with a tribe of over 5,000 people who live in clusters of huts spread over a mountain. The team will walk between two and five miles each day as they go back and forth to the village. They will teach crafts, music and games as they seek opportunities to share the Gospel and their personal testimonies with the locals. They will also help with local community service projects. Mark your calendar for this exciting opportunity!
