Medical Mission Trip

Calling all medical personnel—come and join Tamra Youngren, Director of our Community Medical Care Center, as we travel to work with our partners in Cambodia and host medical clinics. We will be doing our best to meet the physical needs of those we encounter, in efforts to reach their greater need to receive Jesus as their Savior! We will also be spending time with our partners on the ground, encouraging them as they serve so faithfully.

At the end of our week, we will be travelling to Angkor Wat, a Hindu complex that is the largest religious monument in the world, covering 402 acres. This will be a wonderful opportunity that you won't want to miss!

Team is limited to six people.

And even if our gospel is veiled, it is veiled to those who are perishing. The god of this age has blinded the minds of unbelievers, so that they cannot see the light of the gospel that displays the glory of Christ, who is the image of God.

2 Corinthians 4:3-4
