### Strategic Missions Partnership

**April 23-30, 2021**

#### Community Engagement and Evangelism

Come and join us as we partner with missionary church planters, Eduardo and Gloria Buldain. The Buldains serve in an area known as La Matanza, home to over 1.7 million people who desperately need to know the truth of Jesus. They have a vision to plant a Bible-believing church in every neighborhood in La Matanza, preaching the Gospel of salvation through grace and discipling those who come to Christ.

Our team will work alongside the people of Argentina, doing door-to-door evangelism, leading children's activities and assisting with small group discipleship as well as being an encouragement to the members of the local churches. God is at work in Argentina, and it is a blessing to be a part!

And even if our gospel is veiled, it is veiled to those who are perishing. The god of this age has blinded the minds of unbelievers, so that they cannot see the light of the gospel that displays the glory of Christ, who is the image of God.

2 Corinthians 4:3-4
