

# PHASE 1 OPENING OF CENTER POINT CHURCH

Beginning Sunday, May 24

## When should I stay home?

We will be continuing to provide online worship for you at home. If you are ill in any way, have small children that you believe would be unable to worship with you, or just feel concerned about coming back, we urge you to worship with us online at home at [cpclex.org/watch](http://cpclex.org/watch), on Facebook Live, or YouTube.

## When should I come to church?

For Phase 1 – which we hope is just 4 weeks – we will be inviting various Connect Groups to specific services on specific weeks. Your Connect Group leader will let you know when your group can come. This will be every other week to keep us at the number we're allowed to have here. If you have questions contact your Connect Group Leader about this.

## What if I'm not in a Connect Group?

If you are not a part of a Connect Group, please email Tyler Short at [Tyler@cpclex.org](mailto:Tyler@cpclex.org). He will reply with a time for you to come and worship with us here.

## How do I know it's safe to return to church?

- We are carefully sanitizing hard surfaces and door handles before you arrive and between services.
- The governor has requested that everyone who comes wears a mask. All of our staff and volunteers will be wearing masks.
- We have blocked rows allowing for 6 feet and ask that you allow 3 chairs between you and the next family unit.
- We have positioned sanitizer stations through the building and weather permitting, we are blocking off the parking lot in front of our door to allow more space for you to talk with others outside.

## What about my children?

Since we won't be having children's ministry until Phase 2, we will be providing some resources for children including some things to do as they worship with you.

## Other details you should know...

- Because we will be focusing on recording for the Online Worship Experience during Phase 1, we will not be opening the auditorium doors until 15 minutes before worship. Our downstairs entrance will be available before the service, but will be locked during the service. We are providing overflow in the Gathering Point with livestream for those who arrive late or those with small children who wish to be there.
- The governor has asked us to keep bathrooms single use.
- Offering baskets will be available to you at the back of the Worship Center.

### A note from Tim Parsons, Lead Pastor

"I know all of this seems overwhelming but it's only for a short time. Don't let this keep you from coming and worshipping together. Coming will be worth it. If I can answer any questions for you, please email me at [Tim@cpclex.org](mailto:Tim@cpclex.org). I look forward to seeing you soon!" - Tim
