

# Vision & Mission

*We have this strong and trustworthy hope (in Jesus)  
as an Anchor for our souls. Hebrews 6:19*

## **Purpose**

Simply, helping people find hope in Jesus.

## **Vision**

Everything is driven by this vision: We want Anchor Church to be a community where people can find hope in Jesus. We named our church after Hebrews 6:19 - We have this strong and trustworthy hope [in Jesus] as an anchor for our souls.

Hampton Roads is a transient area, and we believe God has called us to bring this message of hope to people who need it by regularly communicating Good News (the Gospel), by giving them a stable place to call home (authentic relationships), and by giving our lives for God's global and local mission (a sense of purpose in life).

## **Mission**

To bring hope to as many people as possible by spreading the good news of Jesus everywhere and demonstrating radical hospitality within the community so that lives are changed, leaders are developed, and more churches are planted.

Anchor Church believes the only truth that brings lasting fulfillment, clear purpose, and true joy is found in the Good News of Jesus Christ. We teach and preach the truth of the Gospel in our Sunday Gatherings, in Community Groups, and in the Children's Ministry on a weekly basis. We also believe that the Good News, the Gospel, of Jesus compels us to demonstrate its truths in the way we serve others in love. These two, sharing and showing our faith, are essential for a church to have its intended effect upon the surrounding cities and culture.
