SALVATION OF LOVED ONES

Father, I know it is Your will that none should perish but that all should come to repentance. Therefore, I bring _____ before you, interceding for *his* salvation.

Satan, I bind you in the Name of Jesus and break your power off _____'s life. Whatever I bind on earth is bound in heaven. I forbid you from blinding *his* mind any longer causing *him* not to believe. I pray that laborers are sent in *his* path to preach the Gospel to *him* in a way that *he* will listen and understand. I declare that the eyes of *his* understanding are enlightened and that *he* knows the hope of Your calling for *his* life. As an act of _____'s will, I believe *he* repents and confesses Jesus as Lord.

Father, I thank You that You are watching over Your Word to perform it in _____'s life. From this moment on, I thank you for _____'s salvation because I believe I receive when I pray. I declare that today is the day of salvation, and _____ is saved now, *he* and *his* household.
