JANUARY 2021 UPDATE: COVID-19

Because we have seen a spike in COVID-19 cases in New Mexico and Eddy County, including several church members who have been diagnosed with COVID in the last few weeks, FBC Carlsbad will continue to implement COVID-19 Policies & Procedures in order to provide a safe, healthy, & welcoming environment for as many people as possible.

As much as it is practical, and to the extent that New Mexico Public Health Orders and/or Federal Guidance (CDC) do not interfere with the content of Worship or Bible Study (i.e., singing, preaching, teaching, praying, fellowshiping, etc.), FBC Carlsbad will seek to abide by any lawful local, state, or federal health order or guidance. Written Policies & Procedures are available at each entrance as well as online. We will continue to follow COVID-safe practices (sanitizing, physical distancing, face masks, etc.) in all areas of ministry.

If you are not able to answer "NO" to the four COVID-related health questions at the entrances, we would ask that you refrain from entering and please join us Online. For those not comfortable attending in-person Worship, please join us for Online Worship on Facebook Live at 10:45 a.m. on Sundays.

We want to make every effort to ensure that in-person Worship and Sunday School continue. In light of that, and because of the increased risk for exposure that could happen through serving and eating meals, our Wednesday Night Meals will be suspended until further notice.

Thank you for your continued understanding and cooperation during these uncertain and unprecedented times. If you have any questions about FBC's COVID-19 Policies & Procedures, please see one of the Pastors or call the church office.
