

COVID-19 DISCLAIMER

We at Fannin Terrace Baptist Church would like you to know that it is our utmost desire to keep your child safe and healthy during this upcoming school year, especially amidst Covid-19 concerns.

We will use CDC guidelines as well as mandates from our governor and mayor to help shape our daily protocol, including times that we may need to change our practices or temporarily cease operation.

In so doing, we would ask that you sign below to acknowledge that you are voluntarily bringing your child to our MDO program and also that neither Fannin Terrace Baptist MDO nor Fannin Terrace Baptist Church will be responsible should your child become ill during the school year. Thank you for allowing us to Teach, Love & Inspire your children this year.
