DNA Statements: Think Big and Think Small

LIFE CHECK-IN (10 minutes)

Take a few minutes to check-in with your Community, creating space for each person to answer the question below:

- How has bible reading been for you the last couple of weeks?
 - What specifically have you been reading?
- How have your times of prayer been?

If the need arises, spend a few minutes praying for one another, asking God to meet needs and help each person carry what feels heavy right now.

OPENING PRAYER (5-7 minutes)

Spend a few minutes listening for what God might be up to in your group.

TEACHING SUMMARY (2-5 minutes)

This week Ryan kicked off a new sermon series on our DNA statements. Take a moment to read Acts 5:42 as a group out loud.

- How would your group summarize the teaching in their own words?
- Or, what stood out to you from the teaching?

DISCUSSION QUESTIONS (20-30 minutes)

This week, Ryan unpacked 2 of the 4 new DNA statements: Think Big and Think Small. What stood out to you the most from this message and why?

Read Acts 5:42 - How representative of the modern church does verse feel to you? What's going well? What's missing?

Read Acts 5:42 - How representative of your life does this verse feel to you? What's going well? What's missing?

Are there areas of your life that you feel might need to pivot in order for you to embrace this idea of Thinking Big and Thinking Small? What are they?

Read Galatians 6:1-2 - Do you think our Community Group truly embodies the essence of this passage? What's going well? What are some areas we might consider working on in the future?

PRAYER (5-7 minutes)

- Spend a few minutes praying for God's grace over each other, that we might become a people who make Jesus our Lord, and that there might be a sweeping renewal of the Holy Spirit in our city. Ask that God would stir up within us a desire to be with him in prayer and to serve him and our neighbor in love.
- Take a few minutes to quietly remember and pray for your three.
