

COVID-19 Guidelines to Observe for In-Person Church

- SMBC is open for in-person services and SMBC will continue to provide an online streaming platform for those who may not be able to attend in person.
- Only two doors will be open for entering and exiting the church (front door and back door near church office).
- All persons shall wear face coverings while in the building. Please keep your face covering over your nose and mouth while in the building. If you must cough or sneeze, please keep your mask on and cough or sneeze into the crease of your bent arm. Ushers will bring you a clean mask to replace yours, if needed.
- Face masks and hand sanitizer are available upon entry.
- Sunday school services will be in person and by conference call. Sunday morning services (10:45 am only) will be in person as well as streamed online through SMBC website, Facebook and You Tube.
- No separate activities are available for children or youth during Sunday morning service; however, youth bible study is held in person and by conference call. Additionally, no nursery activities are available.
- Offering trays will not be passed in the pews. You may leave your tithes and offerings in the offering box at the front of the sanctuary. Additionally, ushers are available to take the offering. Members and visitors can continue to give their offerings using www.mysmbchurch.org through Givelify, mail offering to the church or bring your offering to the office during normal business hours.
- These guidelines will remain in effect until further notice.
