

Gracewood Family,

We are so thankful we've had the continuous ability to meet together online and recently have been able to resume our in-person gatherings.

There are some exciting changes coming this Sunday to our Church Online experience! First and foremost, there is a time change. **We will provide our online service at 9:30am on Sundays.**

We also are changing our platform to one designed specifically for ministry and community building. Now, more than ever, if you're unable to come to an in-person gathering, you need community! We're so excited about creating a Church Online experience where we can worship together, request and receive live prayer, and engage with each other. **This new experience will be available at <https://gracewood.online.church>.** This link will be posted to social media on Sundays at 9:00am as a reminder! (Please note, we no longer will use Facebook or YouTube as our platform for hosting our Sunday Worship service.)

If you happen to miss our live service, we'll post our Watch Replay link at 11:00am on Sundays! These messages also are available [here](#).

Gracewood Kids is meeting again in-person on Sundays during the 11am service. We will continue to have Gracewood Kids Church Online as well! Please visit [our website](#) for more details on how your kids can participate in their own worship experience from home.

For our in-person gatherings, we ask you to help us meet state guidelines for worship within our facility by practicing social distancing and wearing masks (unless you meet the exemptions listed in the state mandate). If you come into contact with someone who is sick, or you show symptoms of sickness, please stay home and join us for Church Online.

We are continually seeking God and His guidance. We are thankful for each of you! We can't wait to see you Sunday! Please, let us know if you need anything!

Doing Life Together,
Tim Brown, Pastor
Gracewood Community Church
