Lisa Rattner, LCSW Christian Counseling & Coaching

6401 Eldorado Parkway, Suite 119, McKinney, Texas 75070

[\(214\) 306-4178](tel:2143064178)

I provide biblically-based, Christ-centered counseling services in an atmosphere of acceptance, understanding and prayer. I work with people who are struggling - individuals who long to be set free from destructive past patterns, disabling depression, anxiety, doubt, fear, rejection, & unhealthy relationships. Clinical focus: grief, loss, pre-marital counseling, couples, family, adoption, divorce, post-abortion, addictions, sexual abuse, mental & emotional problems.

As an interactive therapist, and as clients feel comfortable, I use scripture and Bible study, teaching videos and homework assignments to help renew the mind and revive the spirit. My hope is that through this process, clients will develop a deeper relationship with God and find health, healing and wholeness.

The Lord performs miracles in people's lives! "God can do anything, you know-far more than you could ever imagine or guess or request in your wildest dreams! He does it not by pushing us around but by working within us, his Spirit deeply and gently within us." Eph 3:20-21
