

## Completed Rooted – What's Next?

Now that your group has completed Rooted, to keep going and practicing the 7 Rhythms of Rooted, we recommend the following curriculum, books and bible studies.

Questions about these titles? Contact your coach or [groups@prestontrail.org](mailto:groups@prestontrail.org).

- **The Good & Beautiful God\*** by James Bryan Smith  
\*We highly recommend groups do this book as their first study following Rooted. This is a book study with [companion study guide](#) from Preston Trail.
- **Preston Trail Message Series Study Guides**  
These guides follow our current weekend message series and are available on the Preston Trail app.
- **Gospel of Mark** or **Book of James** by Francis Chan (available from Right Now Media\*\*)
- **Treasure Principle** by Randy Alcorn
- **The Real God** by Chip Ingram

\*\*Studies on Right Now Media are free for Preston Trail members. [Click here for access.](#)
