

High Def 2021 Covid-19 Safety Protocols & Cleaning Procedures

After months of living in a COVID world, students will have the opportunity to come together to be strengthened and filled, to develop meaningful connections and have fun!

The safety of High Def participants is very important to us, so we will implement special safety protocols and cleaning procedures.

- All participants (students, staff and volunteers) will be temperature checked upon arrival.
- Face masks will be required at all times, both indoors and outside, except during snacks and meals.
- Hand sanitizers will be readily available in our environments and participants will be cued to wash/sanitize their hands at regular intervals.
- HEPA filters will be operating in all indoor environments.
- Our environments will be regularly sanitized.
