

Week Three

Daily Devotions

Laws, Laws, and, Laws

Leviticus shows us how Laws can keep us clean and protect us from Evil. Sacrifices must be made. But what kind of sacrifices are they? God **OFFERS** us ways to reach Him even though we have sinned against Him and been driven out of the Garden. Now we must **OFFER** what we have because of what He will do.

Before continuing to the devotion, let us recap of what happened. In Chapter 1 through 4, the Lord tells Moses that we must make Burnt, Grain, Peace and Sin **OFFERINGS** to show our obedience to God. There are different ways within each category of **OFFERINGS**. In Burnt **Offerings**, if it is from a herd, it must be a male without blemish (1:3), the blood must be smeared on the sides of the altar, everything must be burned, Hence it is called Burnt **OFFERINGS**, besides the parts that are food, those parts go into water to be washed. If it is from a flock, it must also be a male without blemish and shall be killed on the north side of the altar. If it is from birds, it shall be a turtledove or a pigeon. As for Grain **OFFERINGS**, it must be a fine flour, if it is baked, it shall be unleavened loaves and the Lord makes it clear that it shall never be leavened. And remember it must be the best of the best. For Peace **OFFERINGS**, it can be a male or female animal without blemish. And as for Sin **OFFERINGS**, if you feel guilty after doing it you shall bring any **OFFERINGS** to the LORD.
