

## **In-State Mission Trip to Wilson, AR – August 6-8**

### **What TO Bring –**

- \$ for fast food lunch on the way to Wilson and snacks on the way home
- Bedding (sleeping bag, pillow, etc.)
- Toiletries (toothbrush, DEODORANT, towels, body wipes, etc.)
- Bible, notebook, and pen
- Clothes
- Gloves and old clothes for service projects

### **What NOT to Bring –**

- Knives, guns, pipe or nuclear bombs, alcohol, illegal drugs, tobacco products, etc.
- Anything that will be a constant distraction – yes, I mean electronic devices even your cell phone if you can't keep off it.

### **What will we be doing?**

Our church plant in Wilson, AR, needs help connecting with the community through back yard Bible clubs, handing out fliers, and hosting block parties. There may even be some local service projects in the community or at the church. The key idea is to be FLUID and ready to “go with the flow” no matter what we are tasked with doing.

### **Where will we stay?**

We will stay at the church or possibly a local community center or gym. You will want to bring appropriate bedding (i.e. air mattress, sheets, pillows, etc). You will also need to bring body wipes in the event that showers are not provided for us.

**We will leave the FLC at 9am on Thursday (8/6) and return around 4pm on Saturday (8/8). Note that these times are subject to change slightly and will be communicated via group text once the details of the trip are nailed down with the church plant.**
