Dear Church Family,

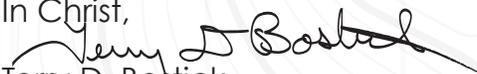

2020 has been an incredibly challenging year for everyone. It has also been an incredibly challenging year for our church and staff. Who could have imagined that all of our plans and hopes would have met the unprecedented restrictions of a pandemic that forced us to work on a day by day basis? Who could have imagined that we would go Sunday after Sunday without meeting at the church? Who could have imagined that people's jobs, schools, businesses, and families would suffer so much loss?

I could not have imagined that, but God was not caught by surprise. God has continued to work through our church to share the Gospel, to minister to each other, to minister to the world around us, and to help people grow in their faith. While it has been a struggle to gather in worship, and grow in our faith, and even to go and take the message of the gospel to those who need it, our church has done very well at giving in these challenging times. Our budget receipts are strong. Our "Christmas in July" offering goal was smashed. Now, I am asking you to continue to give over and above your tithes to help us engage the world through our global missions offering.

The missions support team has done a great job putting together a spending plan to support our missions efforts. In addition to Annie Armstrong, Lottie Moon, Dixie Jackson, and the Caroline Baptist Association, we continue to support church planters Nathaniel Smith (Blytheville) and Robby Pitt (Denver) in their efforts to reach people with the Gospel. Our support of the Hills continues as they lay the groundwork in Papua New Guinea for translating the Bible into a language that is not yet available. One day soon, Covid 19 restrictions will be lifted and we are setting aside money to help with scholarships for those who would like to go on a mission trip.

Our giving goal is to collect \$100,000 for this year's Global Missions Offering which will be received on December 6, 2020. Our real goal is to be obedient to the Word of God that calls the church to take the gospel to the whole world. Starting here in Cabot with prayer and giving, but going across our state and nation to the nations.

In Christ,

  
Terry D. Bostick  
Senior Pastor
