The Annie Armstrong Easter Offering changes lives forever by empowering North American missionaries to bring the gospel to the lost. With over 269 million lost people, North America and its major cities are some of the most spiritually dark places in the world. Join us on the mission to equip every missionary and reach every lost person in the United States and Canada. The National Goal this year is over \$70 Million.

Dixie Jackson Offering (State Missions)

\$9,500

Dixie Jackson, the missionary for whom the offering is named, devoted her life to fulfilling God's mission and involving others in that mission all year long. This missional lifestyle is why the Dixie Jackson Arkansas Missions Offering is more than just a special offering one week out of the year. All of the missions are made possible because of Arkansas Baptists who daily give both their time and their resources to the Great Commission, and their investment has eternal significance!
