

MOBILIZED FOR MISSION

"A Profile of a Mobilizing Movement" | 12 JUNE 2022

We share the good news and pursue the advancement of God's Kingdom in our communities, our cities, and the nations.

- 1) In this week's sermon, Pastor Chad discussed the Puritan efforts to establish the kingdom of God in everything that they did. Is this possible in the 21st century? Why is it difficult to build kingdom values in our world?
- 2) In Genesis 12:1-3, God declares that He would use the people of Israel to be a blessing to all the families of the earth. What do you think this means? How do you think that they were supposed to accomplish this enormous task?
- 3) Read Isaiah 49:6. Israel was to be a light to nations (a "city on a hill" -Jesus' description in Matthew 5:14) who was to represent kingdom values while advancing the kingdom agenda. But according to the text they began "thinking too small, thinking only about themselves." In what ways is the modern church sometimes similar in its inward focus?
- 4) The verses listed below all speak of the people God used in the Old Testament to advance His kingdom agenda to the nations of the earth. When you look at this list, what does it tell you about God's outward focus and His interest in establishing His kingdom throughout the entire earth?

Series Conclusion Questions:

1) During our 21-week series called RE: UCM, we discussed five different values and the UCM mission. As we conclude this series, please reread these together.

Which of these values resonated with you most? Why?

2) Read Revelation 2:1-5. What “complaint” did Jesus have with the church of Ephesus? What does Jesus suggest that this church does to fix the situation?

3) Spend some time discussing why it is important for churches to review their mission and priorities. Can you think of churches or denominations that lost their way? What happened? How did a loss of vision affect their ministries?

Please pray for UCM, its leaders, its members, and its ministries that it would be shaped and guided by kingdom principles.
