ABOUT UCM

Union Church of Manila is a vibrant, multicultural, and international church strategically located in the economic hub of Metro Manila.

For over 100 years, UCM has welcomed people from many nations and denominational backgrounds, drawing them together under the common purpose of exalting Jesus Christ. Founded in 1914 during a time of a growing American presence in Manila, UCM has steadfastly remained both a sanctuary and thriving community of worship for English-speaking Christians.

Today, UCM continues its rich legacy as it partners with people from all over the world who share a common desire to realize the life-changing transformation that Jesus brings to individuals, societies, and nations.

Whether in Manila for a season or a lifetime, we warmly invite you to join our journey of growing together in following *Jesus Christ*.
