CCC Gainesville App

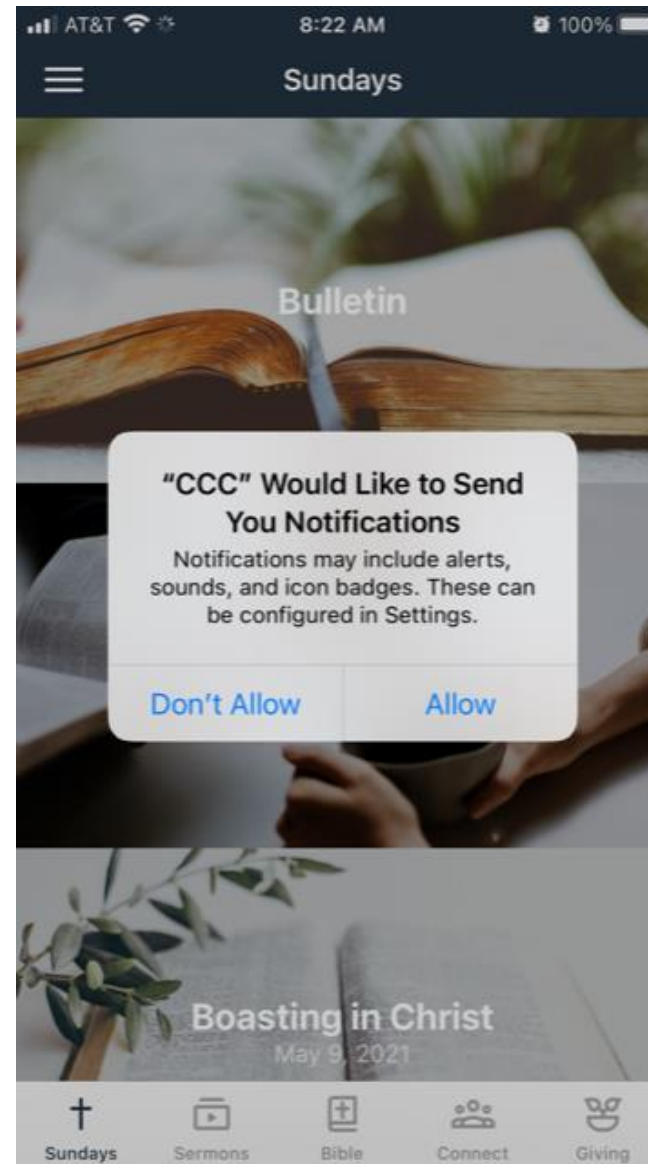

Step 1: Install CCC App from App Store

1. Go to your phone's App store
2. Search for CCC Gainesville or Christ Community Church Gainesville - the App should look like this image
3. Begin Installation

Step 2: Open the App once it is installed. Allow and/or Enable Notifications from CCC

CCC's notifications will be **EXTREMELY** limited. Unless you do not want any push notifications from CCC, allow/encourage them, as they will be related to service times/changes or major announcements.

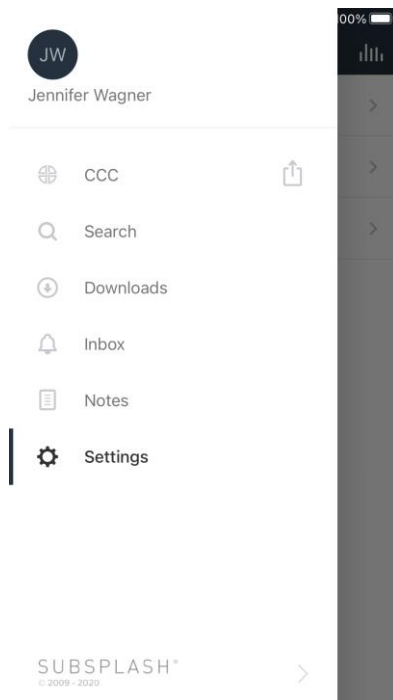

Allow “Cast to TV or other Device?”

You may also get a notification to allow the App to “CAST” to one or more electronic devices. Unless you use your phone to “broadcast” to your TV or another electronic device, you can decline “casting.”

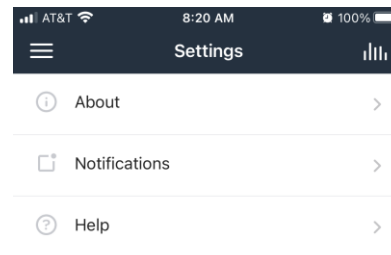

“**Cast to TV** enables you to **cast** online videos and all local videos, music and images to TV, Chromecast, Roku, Amazon Fire Stick or Fire TV, Xbox, Apple TV or other DLNA Devices.”

Step 2: Allow and/or Enable Notifications from CCC (continued)

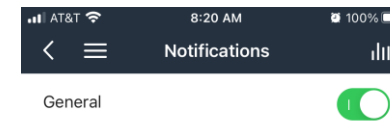

From App drop down, go to Settings

In Settings, go to Notifications

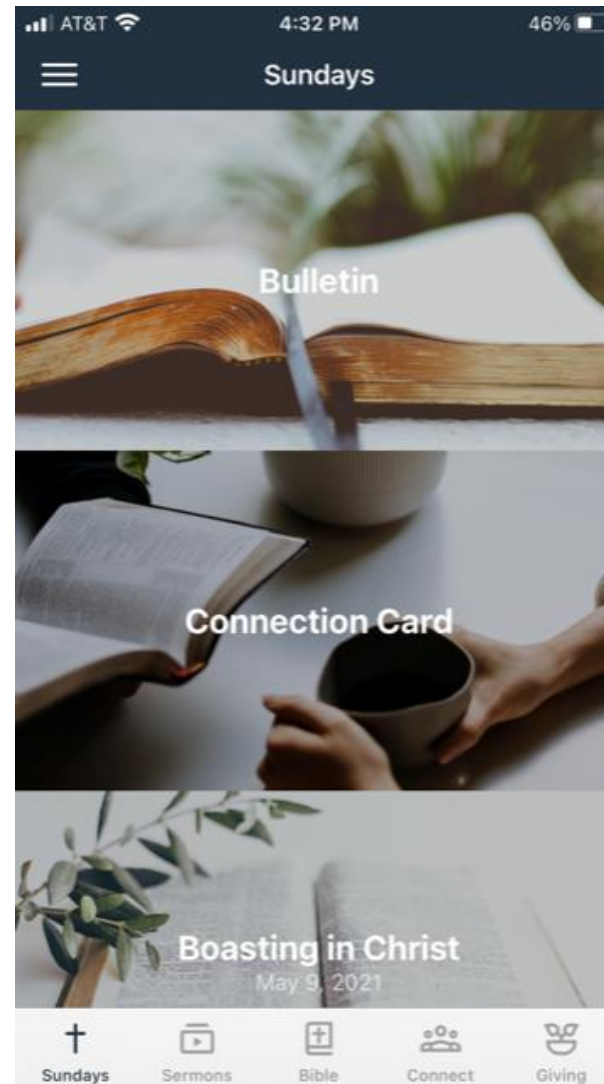

Toggle Notifications to On

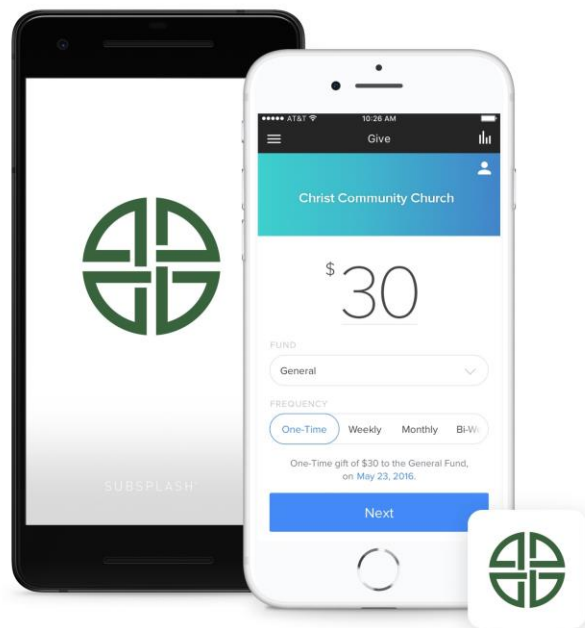

Begin Using CCC App
