From the Commander...

Welcome to AWANA. We are thrilled you have chosen to have your child involved in such a fun and exciting program! Our emphasis on Wednesday evenings is sharing with each one how they can have a growing relationship with our precious Creator, the Lord Jesus Christ. We want each child to know for certain that they can go to heaven and that heaven is a free gift! WOW! Now that's a great reason for having AWANA! We look forward to personally meeting each child and parent that comes through our doors, and are praying that this will be a wonderful learning and growing experience for each one!

What is AWANA?

The AWANA name is an acrostic that comes from 2 Timothy 2:15 **A**pproved **W**orkmen **A**re **N**ot **A**shamed. The program is centered around a weekly club night consisting of three parts:

Game Time is packed with exciting activities that include both team and individual competition.

Handbook Time is focused on the memorization and application of God's Word.

Large Group Time includes group Bible study as well as awards and recognition for individual and team achievement.

AWANA Club Rules

Please do...

- show respect for God, the leaders, other clubbers, and our church property
- listen quietly while someone else is speaking
- obey the "five count"
- wear sneakers every week for game time
- come with a smile and be ready for fun!!

Please don't...

- don't wear shoes other than sneakers
- don't run in the building, except for game time in the gym
- don't chew gum at AWANA
- don't be rough-housing (What is fun for one may not be for another!)

What if it snows?

If we need to cancel AWANA due to the weather in winter months, The Avenue Church follows the Aurora Public Schools weather closures, so check your TV for APS closures.

How much does it cost?

The Avenue Church AWANA charges an annual fee of \$44 per child for the first 2 children in your family. Additional children fee is \$22 per child. This one-time fee pays for the following: Handbook, Awards/Dues, and Grand Prix Car Kit.

Uniforms are not included in this annual fee since uniforms are purchased to be used for 2 or 3 years, depending on the club to which your child belongs.

Cubbies & Sparks Vests \$15

T&T Shirts \$20

Optional Club book bags are available for purchase.

A Family Order Form will need to be filled out. You may pay the entire amount, or a payment plan is also available. You may also pay online at TheAve.church/give and select 'AWANA' in the drop-down menu.

A Special Note...

Please do not allow the cost of these items to keep your child from coming! Feel free to speak to David or Judy Pershing, or your child's leader if these expenses are a challenge to your family.
