Rev. Ivy A. Ganaway and Rev. Lori Smith-Carroll, Woman's Department President, at the Generations Pearl Brunch.

The Generations Pearl Brunch was a blessed event yesterday. Hosted by the MSCC Women's Depart., there was a beautiful gifting of pearls to younger generations as well as to inter-generations, and words of love and wisdom were shared by those in attendance.

Bishop Bryant reminded us that the pearls we treasure are produced out of travail. The oyster produces a pearl out of its efforts to

ease an injury or extreme discomfort.

Oysters make pearls so they can feel better. When a grain of sand or debris gets stuck in their bodies they ease the pain and irritation by coating it with multiple layers of nacre, the mineral that lines the inside of their shells, and a pearl begins to form.

A pearl is a beautiful thing that is produced by an injured life. It is the treasure that results from an injury the oyster endures.

When we suffer setbacks and injuries in our lives they create the treasures of our being in this world. If we have not been wounded, if we have not been injured then we would not overcome to become the treasures we have become through Christ when we overcome.

We Are More Than Enough, Yesterday, Today, and Tomorrow.
