

COVID-19 Corona Virus Update

Calvary Chapel FourteenSix is committed to following the best health and safety practices for our congregation, therefore, for the next few weeks, we have made the decision to suspend Sunday morning services on our campus. It is our priority to do our best to protect our most vulnerable people.

We are, however, providing our Sunday service ONLINE. A full Calvary Chapel FourteenSix Sunday service will be broadcast on Facebook at 8, 9:30 and 11:00 and the service will also be made available each Sunday as an any-time link on our website.

We will continue online like this until the governor's office recommends otherwise.

So, while we are not meeting on campus, please be sure to join us online as we continue our message series: "Revelation: Map to the Future." Let us maintain our connection as a church body – you can give online and you can comment and interact with others through the Facebook message boards as well.

These health precautions are wise but not anything to panic over. The CDC, the governor's office and the President are recommending suspension of gatherings over 10 people in order to limit the spread of the virus. This being the case – our upcoming women's conference on March 28th, all our home fellowships and bible studies will be postponed as well.

If you are concerned about going out in public and you need help, please contact the church office and we will do what we can to help.

It is in our best interest to remember the promise of the one and only true God, who said in Proverbs 3: 5...

"Trust in the Lord with all of your heart and do not lean on your own understanding but in all your ways, acknowledge Him and He will make your paths straight."
