

## BIBLE VERSE

Lamentations 3:22-23 "Because of the Lord's great love, we are not consumed because His compassion never fails, they are new every morning; great is your faithfulness"

## STATEMENT OF FAITH

We know that Father God sends new mercies our way each morning. So, we can boldly say, "It's going to be a great day!"

## WEEKLY PLAN

Write out Lamentations 3:22-23, write out the statement of faith and place it somewhere you can read each morning and evening as a family.

1. Write about what you learn regarding our words that we speak.
2. Draw or paint a picture of a day full of life-giving words like hope, health, joy, and peace. What colors would you use?
3. As a family, discuss how we can live what we speak and believe. Discuss the things we received from Jesus, how the blood of Jesus gave us a new life.
4. Write a poem or a song of thankfulness to Jesus for what He did on the cross and the life you can live because of it.
5. Choose one color a crayon, paint, or marker. With that one color, draw a picture of your life and discuss why you used that color.
6. As a family, discuss this week's lesson. How did it change your idea of God? How will you use your words in your daily life?
