

Happy FATHERS Day

In Matthew 3: 17 it says a voice from heaven said, "this is my son, whom I love with him I am well pleased."

There is no greater joy than when you know that you have a father that is well pleased. Not pleased by the way you look, or sound, or reflect him, but pleased by the way you please the Lord. A father that reflects my Father in heaven. He is not a reflection to the world, but a reflection just for me. Today we celebrate fathers that help us see God A little clearer. ~ Rev. Dr. Louis Attles

We Celebrate our Kings (Fatherhood) we also honor our fathers who have died but live on in our memory and whose love continues to nurture us. Bless these men, Let the example of their faith and love shine forth. Grant that we, their sons, and daughters, may honor them always with a spirit of profound respect.

Read below the tributes to some of the Kings (Fathers) of our Church, God Bless all of You!

The righteous man walks in his integrity; His children are blessed after him. Proverbs 20:7 (NKJV)
In honoring the man who honors God there is a lot that can be said. You know him as Pastor, I simply call him Dad, those are just two of many hats he wears. Truth be told, he is so much more than that. While he cannot be all things to everybody, he is everything to me. He not only leads our family with Godly wisdom, he ushers in God's provisions, loves with God's unconditional love, and he teaches us to seek God in all things. He is truly a man after God's own heart, and it is reflective in the life he leads. Thank you for my blessings from your walk in integrity, with total adoration and appreciation, Happy Father's Day!!! ~ Sis. Simone Attles

George A Roberts, Father of the church. An intellectually curious man who loves jazz and the blues a great reader. He loves solving crossword puzzles. Husband of Deb. His favorite scripture is Joshua 24:15

"Our mother passed away young, and my dad carried the torch. He set the best example for us of what a man should be: intelligent yet down to earth, caring, humorous, warm, and supportive. We love him beyond measure." ~ Scherri

"I am so thankful for my father. God blessed me with the world's best. Not only was he a Daddy to me but a Mommy also when he had to be very early in my life. He is also my Bestie. I can talk to him about any and everything. Early on in my life him and Mom introduced me to music. Watching is beautiful, jazzy, and often funky (in a good way) made me want to be a musician and follow in his footsteps which sent me into the career I have today. Always supportive. When I was packing to move, I saw a basket that he had all of my programs that I was in from when I was a child to an adult. I was so emotional that I cried. Tears of joy and proudness that anyone could be that amazing and caring. He had to be strict at times but in hindsight I guess I deserved it. Lol. Thank you for loving me and Kelvin and Scherri, Debbie/Mom and Dre. Thanks for being you. Thanks for Being Born. God bless you. I Love him with all of my heart." ~ Monique "For the kindness you have shown I just want to thank you and let you know I care. A second dad as great as you is something very rare. ~ Andre

From the family of David Goodman ~ We want to be able to say thanks to our dad all the time for all he has done. "Our dad is supportive, protective and wise." ~ Leon "Our dad is always there for us. He has always been a provider. He is an awesome, awesome grandfather." ~ Tabitha "My dad has shown me what it is to be a great husband and father. Showing me the meaning of being God-fearing and fiscally responsible. He has been a valuable resource to emulate as the foundation of the family." ~ Christopher "When I think of my dad, I think of a God-fearing man who is a great Pop-Pop to my daughter. He has always been there for me through the good and bad times of my life". ~ Samantha

Brett Patterson - "He's a very caring and cuddly man and we love him with all of our hearts. There are no words to describe how much we love this man. He is hard working and always doing stuff for other people." Kiara, Kamari & Khari

This is my Bible. I am what it says I am. I can have what it says I can have. I can do what it says I can do. Today I will be taught the word of God. My mind is alert. My heart is receptive. I'll never be the same again. In Jesus' name. Amen
