

FFC KIDS - PDF REOPEN PROCEDURE

- FFC Kids environments 6 weeks - 4th grade will be in full swing at limited capacities. All open environments will be ticketed.
- All children will have their temperature taken before entering the classroom. Any temperature over 100 will not be permitted in our kids environments.
- All FFC Kids workers will be pre-screened and will wear face coverings. We have purchased face coverings with fun, kid-friendly themes in order to help put our kids at ease as much as possible.
- During learning time, each child will sit 6 feet away from each other on a circle dot.
- We have sinks in every classroom for our Dream Team members to wash hands frequently with warm water.
- You will find hand sanitizing stations throughout the FFC Kids hallway.
- Rooms and toys will be cleaned before, during and after all services. All toys are cleaned properly after each use.
- The pickup and drop off areas will be marked with 6-foot social distancing reminders. Once you've picked up your child, we ask that you exit the environment as quickly as possible to give us time to prepare and clean for the next service.

- If you choose to bring your children into the auditorium we have created an FFC Kids Coloring book for your kids! Print it at home or pick one up in the lobby. Don't forget to bring a tablet or mobile device and a pair of headphones – during the experience your child can visit myfaithfamily.org/ffckids and watch this weekend's online service.
