If only we could really get to know the people behind our favorite YouTube channels! The ability to “subscribe now” gives people the impression that connection is that easy. But connection takes a bit more effort, it takes following and learning from those we want to know.

Kids look for places of belonging, places where forgiveness exists, places where they can experience a genuine connection. The Gospels teach us that places like these exist.

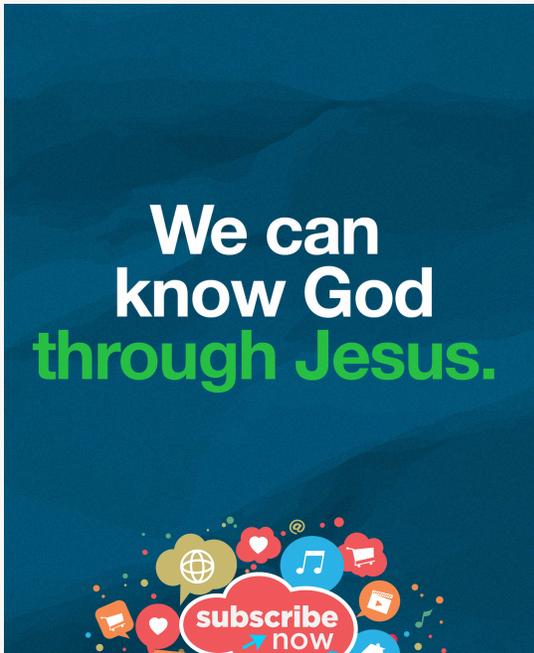

In these stories kids learn that we can know God through Jesus, we can know forgiveness because of Jesus, that Jesus knows us and wants us to follow him. The message of Jesus is powerful and something we can subscribe to!

the truth and the life.
