Proverbs and Ecclesiastes Bible Study

What does it take to make good choices? In this modern age there are many choices available to us, from choosing a career path, deciding which school to attend or even who to marry. It takes wisdom to make good choices. As we all know, nobody is born wise, so how do we get wisdom? The book of Proverbs is a powerful book to help us gain wisdom and insight. Come join us every Tuesday night from 6:30-8 PM at The Fellowship for an interactive study of the wisdom of the Bible, led by Peter Rice. The first class will start on February 2nd.
