"If You Want to Lead Me to Jesus" by Grover Levy

Album: Wrestling Angels - c1997 Winning Pitch Music

Your message is clear, you sound so sincere, your intentions are good.

The forgiveness of sin, life without end, I'd believe it if I could.

*But I've watched from afar, the way that you are
with the people you're around.*

*And I don't see a trace of the love and the grace
that you talk so much about.*

**Chorus: If you want to lead me to Jesus
You better find a better way.
Cause your life is speaking so loud
I can't even hear a word you say.**

*If winning the duel is your golden rule no matter the cost, you may win
the day, but the price you pay is the greater war that's lost.*

*You would not believe how different it seems from the outside looking
in. but the louder you shout, the more I tune out and the less
I am convinced*

I want to believe, but I'm gonna need you to work with me here.

**Chorus: If you want to lead me to Jesus
You better find a better way.
Cause your life is speaking so loud
I can't even hear a word you say.**
